## About Us

Incepted in the year **1997**, in **Jaipur (Rajasthan, India)**, we "**Deelux Cables & Wires Pvt. Ltd**" are the reckoned **manufacturer** and **supplier** of premium grade **Building Wires, Flat Cables, Flexible Cables, Power Cables, PVC And XLPE Cables**, etc. The offered cables are manufactured by making use of supreme grade material with the help of ultra-modern machines in compliance with set industry norms. Our offered cables are widely used for power supply purpose and signal transmission in different electric industries. Moreover, these cables are checked for their quality on series of quality parameters before being supplied to our clients. These cables are made available in different specifications of thickness and length for our clients to choose from. Our offered cables are widely appreciated by our clients for their enormous features such as fine thickness, smooth surface, easy to install, excellent current conducting ability, flexible, water proof jacket and durability. We offer these wires to our clients in safe packaging options to provide their safer delivery and prevent them from moisture while transporting.

We have marked a distinct and dynamic position in the market by providing a high quality array of cables with the help of our high-tech manufacturing facilities. Our organization is backed with sophisticated infrastructure unit that is equipped with modular machines and tools. This unit is divided into various functional...
